

2019 Junior Sponsorship Program

**We would like to receive applications by May 15, 2019
but consideration will be given beyond that date.**

The Junior Sponsorship Program was started in 1998 as an opportunity for members of the Dunany Country Club to sponsor a limited number of children of non-members who were interested in making a commitment to the junior golf program. The program hopes to develop young golfers from the community who would make good future members.

- The Sponsor of the child must be a Regular Member of the Club.
- To be eligible, the child must be at least **eight (8) years old by January 1, 2019**. The child must be less than 16 years old on Jan 1, 2019.
- Sponsorship includes all the privileges of Junior Members who are the children of Regular Members.
- Sponsorship requires a commitment by the child to attend lessons and participate in junior golf activities throughout the summer.
- Sponsorship requires a commitment on the part of the Sponsor to volunteer their assistance to the Junior Program, to play golf with the Junior, to reinforce golf etiquette & rules, and to participate as a walker (as needed) on junior golf days.
