## **Match & Handicap News from our Captain:**

I've heard lots of rain is only good for growing two things: strawberries and grass. Needless to say, the course is looking great. Thanks to Chris and Jesse for battling through the rain. Great work guys.

We are in the process of restoring the rough around the bunkers and greens so please remember **no preferred lies anywhere in the rough.**

We had a great turnout for both tournaments this weekend. Thanks to all who came out!

**Last Weekends Results:**

26 couples battled it out for The Turtle - Husband and Wife Trophy. **Stan and Caroline Roy** won the trophy for the first time with a sizzling 73.

The Maples Parent and Child Under 16 found 24 parents and juniors braving the intermittent rain and wind. Congratulations to **Elizabeth and Gilbert Boucher** who won with a respectable 93 net.

**Coming up!**

Don't forget the Men's first round matches for the Men's Best Ball and the Markham Cup must be played by Sunday July 16. Also, this Saturday and Sunday men 50 and over will be playing for the Mustache Cup and all Ladies for the Imp.

Lastly, this Friday Aug 14 the tees will be closed at 8 a.m. for a 10 a.m. shotgun start of the Men's Invitational.

Let's keep golfing! Go low.

### A Message from the Greens Team:

DCC is off to a great start this year due to the outstanding efforts of our greens team and our new Superintendent Chris Hart. We are enjoying the best greens that I can remember in well over a decade! As well, we are in the process of recontouring the fairways and bringing back rough around the greens. This allows us to spend more time on the greens and hence one of the reasons behind the much improved putting surfaces. The rough around the greens will improve once some of our new equipment is delivered to the course. Please bear with us during this transition period.

If you have any comments or wish to discuss anything you like or dislike about the course maintenance strategy, please feel free to talk with me about it at the club or drop me a note at [turf\\_medica.ca](mailto:turf_medica.ca).
